## DESCRIPTION

The San Diego County Breastfeeding Coalition presents **Non-Profit Milk Banking: Filling The Mothers' Milk Gap**, a live webinar featuring Dr. Lisa Stellwagen, MD, FAAP. To set the foundation for the webinar, Dr. Stellwagen will open her presentation by illustrating the current AAP recommendation for the use of pasteurized donor human milk in pediatrics. Next, she will explain in detail the rigorous safety protocols in non-profit milk banking that assures donated milk is safe for use, for example, the screening process that must be completed by all prospective donors.

Dr. Stellwagen will define and outline the methodology behind the milk processing practices that retain milk's nutritional and biological properties but prevent pathogen transmission. Additionally, she will speak on milk donation and donor milk use patterns in San Diego County. Lastly, she will provide information on The University of California Health Milk Bank's successes as well as speak about existing gaps and what can be done to improve availability and access to donor milk. In closing, she will update attendees on the current hot topics in the human milk banking world.

## REFUND POLICY

After completing your purchase you will receive access to the webinar recording and all of the accompanying materials. No refund will be provided. Thank you for understanding.

For questions, please contact: Jose Gonzalez at: [jose.Gonzalez@breastfeeding.org](mailto:jose.Gonzalez@breastfeeding.org)
